

**Spartanburg Community College**  
**Medical Laboratory Technology Program**

The following table lists the number of graduates, number of first-time American Society of clinical Pathologists - Board of Certification (ASCP-BOC) exam takers, and the first-time pass rates for our students.

Year	Number of Program Graduates	Number of First-Time Test Takers Who took the Exam	Percentage of First-Time Test Takers Who Passed the Exam
2021	12	12	100%
2022	11	11	81.8%
2023	9	9	77.8%
Total 3-year	32	32	86.5%

The following table lists the average scores on the ASCP-BOC exam for this program versus the national average.

Year	SCC Average Scores	National Average
2021	560	495
2022	477	511
2023	467	514

The following table lists the number of students that began the final half of the program (the clinical portion, final 2 semesters), the number of program graduates, graduation rate, the number of graduates that found employment in the field or closely related field or chose to continue their education and the placement rate.

Year	Number of students that began the final half of the program	Number of Program Graduates	Graduation Rate	Number of Graduates who found employment in the field, or closely related field, or continued their education within one year of graduation)	Placement rate
2021	12	12	100%	12	100%
2022	11	11	100%	11	100%
2023	9	9	100%	9	100%
Total 3-year	32	32	100%	32	100%
