CARES Act Information - 45 Day Update**

Updated 7-19-2021

As of July 19, 2021, \$615.00 had been returned to the HEERF II fund. This resulted from two checks being returned due to the student being deceased and one was the result of a stale dated check. The funds will be applied back to the HEERF II institution fund against the \$13,863.84 that was used in the initial HEERF II disbursement.
