TRANSFER STUDENTS

If you are currently attending another college in the United States and wish to transfer to Spartanburg Community College (SCC), notify your college's international office of your desire to transfer. Ask them to fill out and sign the "SCC Transfer Clearance Form" and send it to the SCC Enrollment Office. A copy of this form is included in this packet.

The SCC Transfer Clearance Form is a notification procedure important to the process of transferring your SEVIS records to SCC and the maintenance of your student status. Follow all of the other admissions procedures previously listed.

IMPORTANT: It is critical for you to continue your studies at your current school and maintain your status until you are accepted to attend SCC and your I-20 is issued. Failing to do so will cause you to violate your visa status.

Change-of-Status

Students who need a change-of-status or an adjustment of immigration status to comply with government regulations should contact International Services for Advisement. F-1 Student Certification

Student's Name: _____ Student ID # _____ Term _____

I understand these responsibilities: PLEASE INITIAL BESIDE EACH ITEM

1. I must take a full course load of 12 credit hours each semester at Spartanburg Community College (SCC). I cannot stop going to school or drop below 12 credit hours unless I have the approval of an international student advisor. If I drop below a full course load without approval, my I-20 will be cancelled, and I will be out of status.
2. I must attend classes as required for each class. A course syllabus given at the beginning of each semester will clearly explain the class requirements. If I do not follow the attendance rules, I may be dropped from the class without my permission. If I am dropped from class for not following the attendance rules, my I-20 will be cancelled, and I will be out of status.
3. I cannot work in the United States unless I get permission from the US Bureau of Citizenship and Immigration Services (BCIS). I cannot work for money even if I work for my family or my sponsor. If I work for money in the United States without approval, my I-20 will be cancelled, and I will be out of status.
4. If I move or change my address, I must inform SCC immediately. The College will then inform the BCIS of my change of address. I understand that if I don't notify SCC of any address change, my I-20 will be cancelled, and I will be out of status.
5. Cheating on my academic work or helping another person cheat on their academic work is a very serious breach of the rules of SCC. If I am caught cheating on my academic work, or helping another person cheat, I can be suspended from the College, my I-20 will be cancelled, and I will be out of status.
6. If I have any questions about my F-1 status, or if I do not understand something completely, I will ask an international student advisor for assistance. I WILL NOT ASK MY FRIENDS OR FAMILY FOR ADVICE. My friends and family are probably not experts in immigration law; thus, they can give incorrect advice. I understand that the College will not accept "My friend told me..." as a reason for falling out of status.
7. I understand that the College is automatically connected to the BCIS and the SEVIS system. I understand that Entry Services will automatically report to the BCIS if I drop a class without authorization, drop below full time, or am dropped for not attending class.
8. I understand that the international student advisors will follow the law 100% of the time, and that they cannot do anything illegal to help me if I fall out of status.
9. I understand that if I fall out of F-1 status, the United States government can arrest me, put me in jail, and/or deport me from the United States.

By signing, I acknowledge that I have read and do understand the above responsibilities.
