Individuals seeking to obtain their GED or diploma may enroll in our program to obtain their graduation credential. Additionally, Union County Adult Education offers basic reading and math skills for those seeking to simply enhance their skills. WIN certifications are also available for those interested in a career readiness credential. This certification is a requirement for some local employers.

Union County Adult Education has several class time options in order to accommodate student schedules. Students may choose to attend classes in the morning, afternoon, or evening.

GED & Diploma Classes
- Morning: Monday-Wednesday 9:00am-Noon
- Afternoon: Monday-Wednesday 1:00pm-3:30pm
